• Books: "Software Testing - Base Course" (S. Kulikov), "Scrum Xp from the Trenches" (H. Kniberg).

INTERESTS & EXTRA INFORMATION

From time to time I love create different collages in Photoshop. It's nothing commercial, just amateur using. My friends like it:)

I like to spend part of free time by watching a good movie with good scenario. Some movies are like a books, but without a text:)

I'm open minded and responsive person and I always help my colleagues at work. I think this makes me easy to get along with new people.
